SUMMARY

Quality Assurance with 3+ years of experience in healthcare information systems (SIMRS), including 1 year in dedicated QA and 2+ years in system implementation across hospital clients. Experienced in regression, API, and UAT testing within a Scrum team with weekly production releases, plus hands-on Cypress automation. Bachelor of Information Systems (GPA 3.94/4.00).

EXPERIENCE

Medify – Surabaya, Indonesia July 2025 – July 2026
Quality Assurance

- Designed and executed 40-60 test cases daily (positive, negative, and edge cases) across 4-6 features in a Scrum team with weekly production releases of a healthcare information system
- Identified up to 5 bugs per feature during pre-release testing, helping prevent defects from reaching production
- Performed regression and API testing for SIMRS Medify using Postman and Insomnia
- Automated the new patient registration and outpatient clinic (poliklinik) registration flows with Cypress, reducing repetitive manual regression testing
- Collaborated with product owners and developers to clarify requirements and verify fixes
- Wrote MySQL queries to validate data and support report analysis

Medify – Surabaya, Indonesia March 2023 – June 2025
System Implementation

- Implemented SIMRS Medify at 3 hospitals in East Java, on a platform used by 50+ partner hospitals
- Conducted UAT with hospital users and prepared system documentation
- Troubleshot user-reported issues and relayed feedback to the product and development teams

PT. Andromedia – Surabaya, Indonesia August 2021 – January 2022
UI/UX Designer (Internship)

- Designed UI/UX for mobile apps, website admin panels, and landing pages using Figma and Adobe XD, applying Auto Layout to streamline developer handoff
- Worked in a Scrum environment alongside full-stack developers and business analysts

EDUCATION

Universitas Nusa Mandiri Jakarta – ***Bachelor of Information Systems*** 2018 – 2022
GPA: 3.94/4.00

SMA Negeri 1 Puncu – *Science Major* (IPA) 2015 – 2018
